

Welcome to The Cannington On-Line Survey

Please can you answer the following questions. All this is important as it is part of the gathering of information process where we as a village can have our say on our destiny and enable us to submit a Neighbourhood Plan.

This Questionnaire is one of several options that will be open to the residents of Cannington. Some of you have already had your say at our "Drop-in" Sessions held in the Autumn at the Village Hall as well as the United Reformed Church. All the feedback from those sessions are being collated, and this survey will compliment any comments we have already received, as well as pick up any reactions from those who may not have had opportunity to have their say. Even if you have already responded, there is no harm in ticking these few boxes. The ones indicated with a * are mandatory though.

We have been doing leaflet drops and there could be more of those as well, but the more types of medium we employ the better the coverage and we would like to gain views from the majority of the village, rather than just a few. This survey is not limited as to one per household, but of course is one per computer. Even if you have participated in another survey to do with our Neighbourhood Plan, please fill out this one.

Remember this is our Village and Our Chance to have Our Say. Thank you for taking your time in filling out the following.....
